- 1 laptop
- 1 scientific calculator (for example Casio FX-373ES, FX-913ES and similar); not programmable
- 1 pencil case
- 4 pens (2 black, 1 blue & 1 red)
- 2 pencils
- 1 ruler
- 1 geometry kit (triangular rulers, protractor)
- 1 compass
- 1 set of coloured pencils
- 1 pair of scissors
- 1 glue stick
- 1 pencil sharpener
- 1 USB memory stick
- 1 locker padlock (combination, not key)
- 1 pocket hand towel
- 1 water bottle

Optional, but helpful items include:

- highlighters
- English pocket dictionary
- French bilingual dictionary
- Japanese (electronic) dictionary

Mobile Phones and other Devices

We have a bring-your-own-device policy - each student is required to bring a laptop to school every day - the required specifications can be found on our website.

We also utilise iPads in lessons and there are a number of desktop computers around the school in Computing, Art and Music departments, as well as in the Library. These devices must be used in accordance with the Device Use Policy found in the Student Planner and on the Student and Parent Portals. Students should not make use of personal devices during the school day unless given permission by a teacher. If parents need to contact their children during school hours, they should call the reception desk.
