

MS and HS Combined Meet at ASIJ Saturday, 9th December

Our last meet in 2017 was at ASIJ with 5 other schools.

It was the last swim meet for James Hill (14) as a BST swimmer. He has represented the BST swim team for many years and has supported his teammates and always trained extremely hard. We know he enjoyed competing for BST very much and also broke his own school record by 0.4 second in his 50m Freestyle. James produced another exciting race and achieved first place in his favourite event, 100m Backstroke. Well done and Good luck with your swimming career in the future! We will all miss you.

Radu Mandrea (13) has been working on his turns and speed control during the practice and this has helped him to take 5 seconds off his PB in the 200m Freestyle. Joey Tomita (12) finished his 50m Butterfly strongly and achieved first place with a PB. Ewan Smith (11) also swam 50m Butterfly, showing good rhythm and even broke his own record. Both Masashi Tetsuo (11) and Sean Lee (13) did well on their 100m Freestyle. For the 100m Breaststroke, Yuma Teshirogi (13) and Christian Strada (12) showed nice, smooth swimming technique and broke their PBs, with Yuma gaining first place overall. Lilia Daggett (12) also swam confidently on her 100m Breaststroke.

Great job everyone!
Have a wonderful break!!

-Yumiko Uehara
