

**MS HS Combined Meet
at ASIJ
Saturday 26th January 2019**

Thirteen BST swimmers participated in the secondary swim meet at ASIJ on Saturday 26th January. They competed against other four international schools and three Japanese schools.

Lilia (Y8) performed the 200m Freestyle really well and finished in first place. Aeimi (Y7) also swam brilliantly, achieving third place and Radu (Y9), who has been training hard, took 10 seconds off his PB in the same event. All of his effort has paid off. In the 100m IM, Yui (Y7) achieved second place with her beautiful swimming technique and Marta (Y7), who is becoming stronger recently, finished in third place. Isabel (Y7) also did well in the same event, taking two seconds off. Christian (Y8) attacked the water constantly and finished in second place and both Harold (Y7) and Jin (Y9) broke their own PB in the 50m Freestyle. Rosie (Y7) showed us her nice breaststroke in the 100m event and took a second off her PB. Breaststroke is Yuichiro (Y7)'s favourite stroke and he swam strong, taking five seconds off his PB in the boys 100m event and Christian (Y8) won second place. Minami (Y10) achieved first place in all her events, 50m Freestyle and 100m Backstroke, even with her sore neck. Well done. Nana (Y10) worked very hard showing us her nice quick turns in the 100m Breaststroke.

In the MS boys 200m Freestyle relay, Yuichiro, Jin, Radu and Christian had excellent team work and achieved second place.

Good job everyone!
